

Australian Poultry Product List

for the Food Service Industry

Our clients appreciate our expert knowledge of the interesting and complex product area of poultry. We know the products, the suppliers and the seasons where foodservice clients value our extensive product knowledge, ensuring they are fully aware of the choices available. If you can dream it, we'll supply it. Be it chicken or squab, a duck leg or a jumbo quail, Haverick Meats will know if it's available, whether corn-fed, free range or all-natural organic, all our birds are fresh. They are prepared on a daily basis to any specification. Our customers are always looking for something unique to keep them ahead of the culinary trends. This is why we source hard-to-find product and work closely with specialised, sometimes eccentric processors across Australia. Our expert buyers and sales staff will source the right item, at the right price to meet your needs.

From Haverick Meats' unrivaled selection of poultry products, we are able to give our customers exactly what they need and more. With products that provide the minimum requirements, to new and exciting offerings demanded by world-class chefs. From applying high standards of sanitation and overall cleanliness we ensure all poultry suppliers are committed to producing the highest-quality produce from using natural managed feed programs, ensuring incomparable freshness and unparalleled quality. Because of the extraordinary high standards we hold ourselves to, we are dedicated to providing all-natural products that are consistently tender, juicy and flavourful. We pride ourselves to meticulously monitor every step from the growing, processing, to distribution process-making, allowing us to supply year-round high quality and consistent poultry products.
